**UNITED STATES POSTAL SERVICE NOTICE OF FILING DOCUMENT
CONCERNING GLOBAL PLUS 1C AND 2C CONTRACTS
NEGOTIATED SERVICE AGREEMENTS**
(January 28, 2013)

On January 24, 2013, the Postal Regulatory Commission (Commission) issued Order No. 1633, adding the agreement that is the subject of Docket No. CP2013-38 to the Global Plus 2C Contracts product. Subsequently, on January 25, 2013, the Commission issued Order No. 1638, adding the agreement that is the subject of Docket No. CP2013-39 to the Global Plus 1C Contracts product.

The company that signed these agreements is in the midst of a non-public transaction that involves the agreements. The United States Postal Service (Postal Service) hereby files with the Commission a document that sets forth how the agreements are to be handled as a result of the non-public transaction.

A nonpublic, unredacted version of the document is filed under seal. With respect to this document filed under seal, the Postal Service hereby incorporates its Applications for Non-Public Treatment filed in conjunction with its January 10, 2013

notices in Docket Nos. CP2013-38 and CP2013-39,¹ and supplements those applications with the following.

The Postal Service maintains that the document attached to this notice should remain confidential. It is self-evident from the unredacted document that the information concerns a non-public, corporate transaction involving a customer of the Postal Service, which would not be publicly disclosed under good business practice and which is of a highly sensitive commercial nature to the customer involved.

For the reasons discussed in the preceding paragraphs and in the Applications for Non-Public Treatment previously filed in Docket Nos. CP2013-38 and CP2013-39, the Postal Service requests that the Commission grant the Postal Service's application for non-public treatment of the attached document.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
By its attorneys:
